La finitura thermo è realizzabile su tutti i nostri supporti
Calzatura – Special – Soft
Corium®

La principale caratteristica della finitura Thermo è la viranza se stampato a caldo, perfetto là dove serve imprimere disegni o loghi

Thermo Finish is possible on all our materials Calzatura – Special Soft – Corium®

The main peculiarity of Thermo finish is that if hot-stamped the color changes getting darker, perfect to impress designs or logos the material darkens highlighting the design
